

COMCAST BUSINESS VOICEEDGE™ INTEGRATION FOR SALESFORCE.COM

USING THE COMCAST BUSINESS VOICEEDGE INTEGRATION FOR SALESFORCE.COM

This application brings you the ability to make a call right from your computer. A desktop phone dialer is added directly to your Salesforce.com application.

- Increase your efficiency by making, ending, and transferring calls from Salesforce.com.
- Manage business contacts by adding or editing contact information while you talk.
- Improve customer interactions by adding notes to a customer contact while on a call.

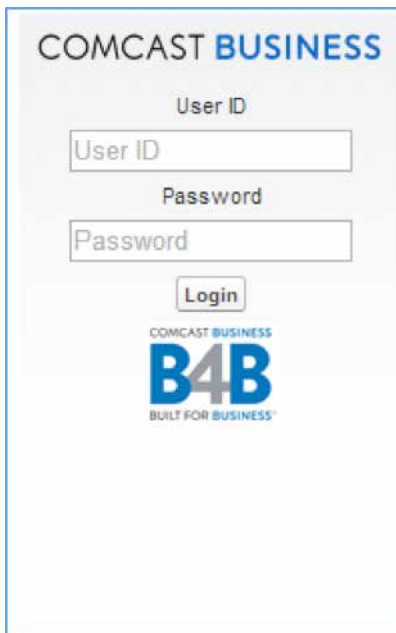

Prerequisites

The Business VoiceEdge Integration for Salesforce.com requires the following:

- A Salesforce.com account. If you do not have an account, please contact your Salesforce.com support team to inquire about a license.
- A Business VoiceEdge Integration for Salesforce.com app installed into your Salesforce.com application.
 - Installation instructions are provided after completing the purchase process on Comcast Business Cloud Solutions: <https://upware.comcast.com>.
- A **Business VoiceEdge Unified Communications seat** with a phone number.
- Username and password for your Business VoiceEdge Portal account.
 - If you do not have log in information, please contact Business VoiceEdge Support at 888-426-6014.
- Google Chrome Version 32.0 or higher. Other browsers (like Firefox or Internet Explorer) may give varying results.

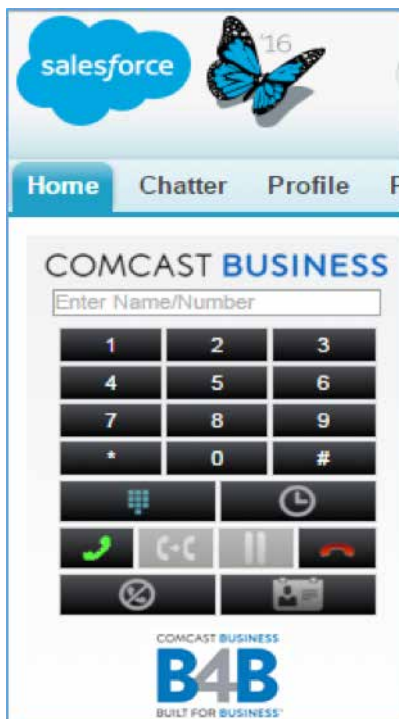

Logging into the Business VoiceEdge Integration for Salesforce.com

1. Log into your Salesforce.com account and open the **Home** page by clicking on the Home tab. The application is located at the top of the left hand sidebar of your Salesforce.com Home page.

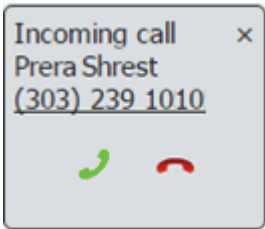

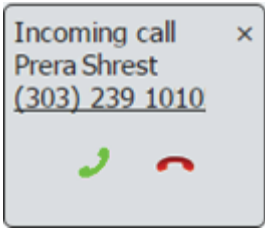

The image shows a login form for Comcast Business B4B. At the top, it says "COMCAST BUSINESS" in blue. Below that, there are two input fields: "User ID" and "Password". Each field has a placeholder text "User ID" and "Password" respectively. Below the password field is a "Login" button. At the bottom, there is a logo for "COMCAST BUSINESS B4B BUILT FOR BUSINESS".

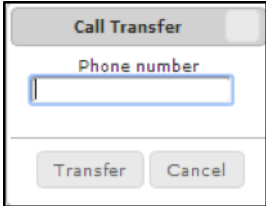

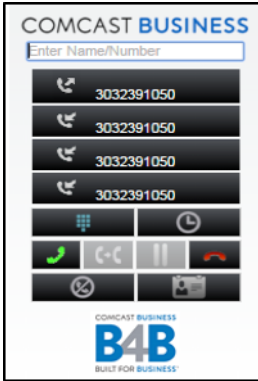

2. To log into the application, enter the following information:
 - a. **User ID:** Your **Business VoiceEdge Portal** User ID
 - b. **Password:** Your **Business VoiceEdge Portal** password

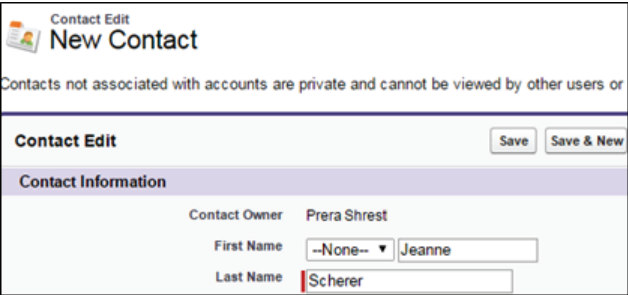

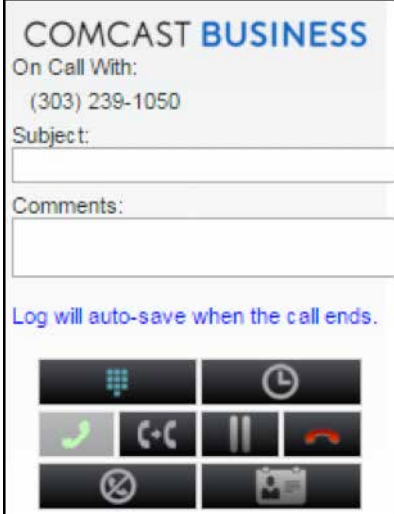

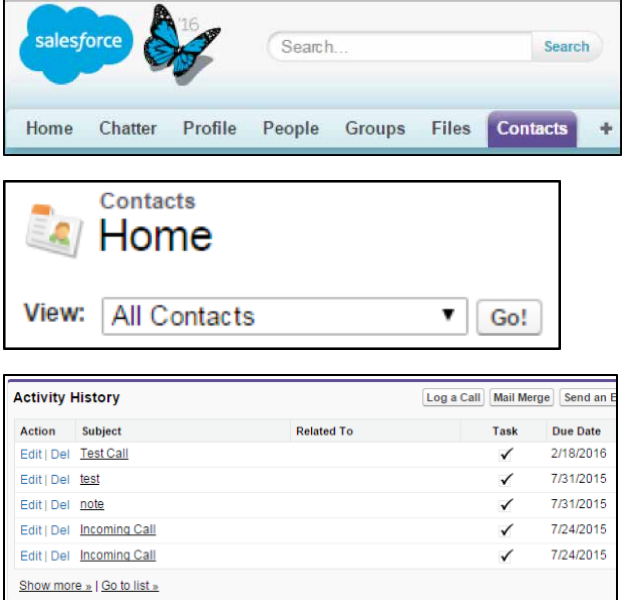

Using the Business VoiceEdge Integration for Salesforce.com

Support

1. Within the Cloud Solutions website navigate to the **My Apps**.

2. Hover over the Salesforce.com Integration app to view the **Manage App icon**.

3. Select **Manage App**.

4. Select **Go to Product Profile**.

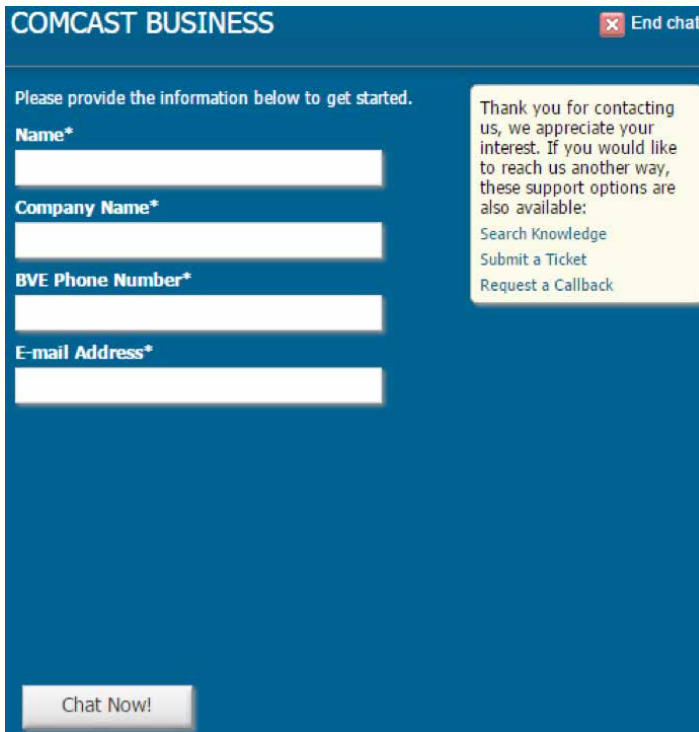

5. Navigate to the **Support** tab.

6. Click Get Help hyperlink.

Result: During business hours, a page will be displayed to allow you to initiate a chat session, submit a ticket, or request a callback. After business hours, you will have the option to submit a ticket.

A screenshot of the Comcast Business chat support interface. The header is dark blue with 'COMCAST BUSINESS' in white and an 'End chat' button. Below the header, there's a section titled 'Please provide the information below to get started.' with four input fields: 'Name*', 'Company Name*', 'BVE Phone Number*', and 'E-mail Address*'. To the right of these fields is a yellow box with a message: 'Thank you for contacting us, we appreciate your interest. If you would like to reach us another way, these support options are also available:' followed by three links: 'Search Knowledge', 'Submit a Ticket', and 'Request a Callback'. At the bottom left is a 'Chat Now!' button.
